Your ACBC News Update

Pool News

On June 19th Island County moved to Phase 3. We are working to comply with the regulations for Safe Start and other Pool requirements. Your cooperation will make swimming a pleasure in this new way of being together. We are gathering Lifeguards and tying up loose ends. If all goes as planned, we *hope* to open the pool on June 27th. Stay tuned. There will be another Update later this week with a confirmed date and information on what visiting the pool will be like.

Community News:

If you are considering pumping your septic tank or if it's been 5 plus years since you did, you may want to consider having this work done soon because prices for this service are going up dramatically:
