# YOUR ACBC NEWS UPDATE

MAY 3 2020

## ACBC SHELTER & POOL

All group meetings at the shelter have been canceled until further notice. The playgrounds and beach are still open but suggest members follow WA State and CDC guidelines.

The pool opening this summer is obviously dependent on the same guidelines, and more information about the pool schedule, swim lessons and BBQ's will be provided as they become available.

If Washington's Phased Approach is met the pool could open sometime this summer.

**Your ACBC News Update** came about as means to further communicate with members online between Newsletters as news/events/issues come up. If you would like to submit something for either publication, please let the Board of Directors or Communications Committee know. It should relate to ACBC activities. Contact information is on the website.

This bulletin can come out whenever needed and will be distributed on the website, emailed and on social media -- but not mailed. The Newsletter will still come out at least 3 times a year and if a member is not on the ACBC email list, it will be mailed to them. Yes, a lot of this bulletin info will probably end up in the Newsletter but the Your ACBC News Update allows us to get information out quickly via email and the internet. Those who are not on the internet will get the Newsletters in the mail 3X year. Please help with reducing postage, printing, formatting and volunteers folding and stamping the Newsletter by receiving the Newsletter via email. You can sign up for email notices on the ACBC website: [ACBC-whidbey.org](http://ACBC-whidbey.org).

It has been suggested we offer to pick up groceries or medications for those who are quarantined. Dennis has a list of several people who are willing to do that. Members can call him at 206-229-0632 if they would like something picked up for them.

Island Transit offers a similar service of delivering food and prescriptions also.
